SUBJECT: CLEARANCE FOR NIH'S PROPOSED AWARD OF RESEARCH  
PROJECT "CHEMOPROPHYLAXIS AND HIV HOST INTERACTIONS".

REF: STATE 29041

From the standpoint of U.S. foreign policy implications, Post  
has no objections to NIH's proposed award of research project  
entitled "Chemoprophylaxis and HIV host interactions" as  
described in reftel.

Post would appreciate a brief semiannual status report on  
this project and affiliated American citizens in country.  
Please email to both of the officers below.

--Environment, Science, Technology and Health Officer  
(currently Hal Howard: HowardHH@state.gov)

--Chief of the USAID/Peru Office of Health (currently Susan  
Thollaug: sthoullag@usaid.gov)

Post appreciates the NIH's assistance.
